SUPPORT TO A FURNITURE PRODUCING ENTERPRISE - DOMINO INTERIOR D.O.O.

Support to Entrepreneurs, Micro and Small Enterprises

COMPLETED

The enterprise is engaged in production of furniture, with a focus on the foreign market which accounts for 50% of their sales. The grant will be utilised to procure equipment which will enhance productivity and enable introduction of new products. This will immediately produce one new job, while an additional three are also planned. The enterprise will implement corporate social responsibility activities that will include donations to a local school for deaf and hard of hearing children and a local music school.

Project value: 42,820 Euros
Programme funds: 29,500 Euros
Co-funding: 13,320 Euros

SUPPORT TO A DAIRY - MLEKARSKI KOMBINAT D.O.O BUKOVČE

Support to Entrepreneurs, Micro and Small Enterprises

COMPLETED

The enterprise produces dairy products – cheese and “kajmak”. It is one of two enterprises engaged in milk processing held by one owner, which allows for an easier sell of the products. The grant will be utilised to purchase a new packaging machine, which will produce a better packaging and increase the shelf date of the products, as well as enable the enterprise to pack products in smaller quantities. Consequently, three new employees will be engaged immediately, while another three are planned. The enterprise will conduct corporate social responsibility activities which will include donations to association of parents of children with disabilities.

PROVISION OF A BACK-UP SERVER FOR THE E-PERMITTING SYSTEM

E-permitting

COMPLETED

Improvement of the electronic system for the issuance of building permits through the provision of a back-up server, which will enhance its stability and availability for over 6,500 users that benefit from it every day. Server and network equipment were procured through the project, as well as necessary licences. The aim of this activity was to contribute to the creation of a more favourable business environment by improving the efficiency and transparency of the e-government and, ultimately, to new investments. At the same time, citizens' trust in institutions, as well as the quality of services that are being offered through the e-government will also be enhanced.
