CONSTRUCTION OF ACCESS ROAD AND UTILITY INFRASTRUCTURE IN THE SVILAJNAC "NEW BUSINESS ZONE"

Economic Infrastructure

COMPLETED

The infrastructure equipment of the Industrial Zone, including the construction of access roads and utility infrastructure (water supply, sewage and power supply), will create conditions for potential investors and support the Svilajnac Municipality to fulfil the obligations towards existing investors regarding the provision of business infrastructure, all of which will lead to new jobs and improved living standard of the population in Svilajnac and the Pomoravski district.

PROVISION OF A BACK-UP SERVER FOR THE E-PERMITTING SYSTEM

E-permitting

COMPLETED

Improvement of the electronic system for the issuance of building permits through the provision of a back-up server, which will enhance its stability and availability for over 6,500 users that benefit from it every day. Server and network equipment were procured through the project, as well as necessary licences. The aim of this activity was to contribute to the creation of a more favourable business environment by improving the efficiency and transparency of the e-government and, ultimately, to new investments. At the same time, citizens' trust in institutions, as well as the quality of services that are being offered through the e-government will also be enhanced.

RECONSTRUCTION OF THE CULTURAL CENTRE IN THE VILLAGE KUŠILJEVO

Local Infrastructure

COMPLETED

The reconstruction of the Cultural Centre in the village of Kušiljevo, including reconstruction of the roof, facade, interior and construction of new toilets, will create conditions for organising cultural programmes, educational events, concerts and other social events which are particularly important for 800 children and youth, who make 35 percent of all population living in the village. Within the good governance activities, a rulebook will be developed on use of the cultural centre as a public facility.
