GIS AS A TOOL FOR MORE COMPETITIVE DEVELOPMENT OF NOVI PAZAR AND TUTIN

Introduction and Development of GIS

COMPLETED

Novi Pazar, a GIS holder, and Tutin are neighbouring LSGs located in the Raška District. The common inter-municipal problems are related to spatial issues, while separately cadastre of underground installations in Novi Pazar and a unified and updated spatial database in Tutin are missing. The project is focused on improving and establishing of an integrated GIS for the two LSGs. The analysis of spatial and other data and elaboration of specialised applications will provide better management of existing resources and their promotion to attract investments.
