**SUPPORT TO A FOOD PRODUCTION ENTERPRISE KALEM GOGI D.O.O.**

Support to Entrepreneurs, Micro and Small Enterprises

COMPLETED

The fruit and vegetable processing enterprise will procure a set of machines for washing, selection, cutting and cooking fruits and vegetables in order to improve production of ajvar and jams resulting in further business expansion, higher productivity and efficiency. The production currently employs one worker while resulting job creation is two immediate posts and additional five within a three-year period. The proposed CSR activity envisages donation of their products to the Soup Kitchen in Varvarin.

**PROVISION OF A BACK-UP SERVER FOR THE E-PERMITTING SYSTEM**

E-permitting

COMPLETED

Improvement of the electronic system for the issuance of building permits through the provision of a back-up server, which will enhance its stability and availability for over 6,500 users that benefit from it every day. Server and network equipment were procured through the project, as well as necessary licences. The aim of this activity was to contribute to the creation of a more favourable business environment by improving the efficiency and transparency of the e-government and, ultimately, to new investments. At the same time, citizens' trust in institutions, as well as the quality of services that are being offered through the e-government will also be enhanced.
