MUNICIPALITIES /
CITIES

The art competition in 2018 tasked high school students with answering the question “**What could Serbia bring to the EU?**”. The goal of the theme was to inspire participants to contemplate Serbia as a country with a rich history and tradition and a vibrant cultural heritage, but also as a modern society who lives and promotes many of the key European values and, in those two overlapping identities, recognise the qualities that would enrich the EU.

Winning artworks at the art competition for high school students „What could Serbia bring to the EU?“*

No.	MUNICIPALITY / CITY	SCHOOL	STUDENT	AWARD	Area in which Serbia could contribute to the EU
